

OCTOBER ISSUE

*END GAME:*

THE  
EVERYTHING  
BUTT  
FOCUS

Hardly as taboo as it once was, there are literally thousands of products sold in erotic retail stores specifically with anal pleasure in mind. Whether it's butt plugs, anal lubricants, prostate toys for men, desensitizing sprays or any one of the myriad products designed to go "in through the out door," *SE's "everything butt" focus will highlight the industry's top anal toys, lubes, plugs and prostate massagers.*
